Letter To Commission
NO. 017-2021

To: Mayor Virginia O’Halpin and Members of the Village Commission
From: Mario A. Diaz, Village Manager
Date: April 23, 2021
Subject: RFP 2021-001 – Solid Waste Collection Update

The purpose of this Letter to Commission (LTC) is to inform you that the Village is rejecting all bids for RFP 2021-001 -Solid Waste Collection Services. In total, we received one bid but deemed it unresponsive as it did not fully meet the requirements of the RFP.

The Village also received four letters from various vendors indicating that they were not bidding on the RFP due to either pick-up days being restricted to Monday and Fridays, required side loader truck, or felt the RFP was too one-sided toward benefitting the Village.

For these reasons, I will be readvertising the solicitation with a deadline of May 20, 2021. The differences between the RFP will allow loosening certain restrictions such as pick-up days and allowing for semi-automated collection.

Please feel free to contact me should you have any questions.
